

The Commissioners understand from the correspondence that has passed on this subject that Government intend that the Hall should be made over to the Municipality as it at present stands free of all liabilities that may be due to the former contractor or other parties, and that the Municipality will be entrusted with the carrying out of the work still remaining for the completion of the building. They beg to point out that to render the premises at all suitable for Municipal Offices, it will not only be necessary to exclude therefrom the Bowring Institute but to erect in addition a suitable range of out-offices; they trust therefore that in consideration of the heavy outlay that they will thus have to incur the Chief Commissioner may be pleased to relieve the Municipality from making good the amount of the Bowring Institute contribution.
